Dear Ms. Miller,

We appreciate Dermazone Solutions' gift of \$500 to sponsor the Second Annual Eckerd College Science Symposium. The Symposium is a dynamic way to connect Eckerd students, faculty and alumni with each other and with the greater resources of the Tampa Bay area and beyond.

With your sponsorship, you receive two reserved seats at the Symposium luncheon on Friday, November 5, 11:30 a.m.–12:45 p.m. USF Professor Ernst Peebles will present "Academia's Response to the Deepwater Horizon Disaster," which will kick-off the Symposium's two-day series of research presentations. Also with your sponsorship is an opportunity to include the Dermazone Solutions logo on Symposium materials.

To reserve your luncheon seats and submit your logo file, please contact Symposium Coordinator, Justine Talmadge, at [talmadjl@eckerd.edu](mailto:talmadjl@eckerd.edu) or 727.864.7703.

Thank you again for supporting Eckerd College. We look forward to meeting you at the Symposium.
